HCCF issues grant for fairground beautification

The Hancock County Community Foundation (HCCF) recently made a grant to the Hancock County 4-H Agricultural Association from the Agricultural Heritage Fund, a component fund of HCCF. The \$1,000 grant will help the association beautify a new entrance area in front of the West Arena Show Barn with barn quilts, potted plants, and picnic tables.

A member of HCCF's Spirit of Community fund family, grants from this fund sustain the spirit and rich history of our agricultural heritage by supporting activities associated with agriculture education, youth organizations, and other related agriculture programs in Hancock County.

HCCF provides philanthropic leadership by encouraging giving, learning, community pride and civic engagement. Working with caring individuals, families, and organizations to create or grow existing permanent endowment funds is critical to the organization's mission. These funds generate income that is distributed in the form of grants and scholarships to enrich and enhance life in Hancock County, as well as support the donor's favorite charitable causes, both at home and afar forever. HCCF has granted millions of dollars since their inception in 1992.
