Have a Heart for Hancock County!

The Hancock County Community Foundation, Inc. (HCCF) is prepared to respond to the rapidly developing situation in our community caused by COVID-19.

As the county's lead charitable grantmaker, informant of community needs, and convener of funding resources, we ask you to join us in this effort by contributing to a new community relief fund.

Heart for Hancock, established by the HCCF Board of Directors, is a fund that will allow our organization to mobilize charitable dollars to local organizations serving Hancock County. HCCF is and will continue to gather intel and collaborate with other funders to make grants:

- Thoughtfully
- Effectively
- In coordination with others
- In recognition that there are limited resources and that this situation will have long reaching effects

This is a wonderful time to use your local community foundation as a reliable resource to assist organizations that are serving neighbors in distress.

You may donate on-line at giveHCgrowHC.org or by making checks payable to: HCCF-Heart for Hancock and mailing to 312 E. Main Street, Greenfield, Indiana 46140

HCCF provides philanthropic leadership by encouraging giving, learning, community pride and civic engagement. Working with caring individuals, families, and organizations to create or grow existing permanent endowment funds is critical to the organization's mission. These funds generate income that is distributed in the form of grants and scholarships to enrich and enhance life in Hancock County, as well as support the donor's favorite charitable causes, both at home and afar forever. HCCF has granted millions of dollars since their inception in 1992.
