HCCF issues grant for signage updates

The Hancock County Community Foundation (HCCF) recently made a grant to Sister Cities of Greenfield from the Hancock County Enrichment Fund, a component fund of HCCF. The grant enabled them to update their logo on the Welcome to Greenfield signs to reflect their updated artwork.

The City of Greenfield and the City of Kakuda, Japan formalized their Sister Cities relationship in 1990. Sister Cities of Greenfield recognized the need for an updated logo. Artist, Lucie Rice, was commissioned to make the current logo.

This grant was issued from a pool of funds that is set aside each year to meet nonprofit organizations' needs that arise outside of the major grant cycles. These Mini Grants can be made for up to \$1,000 until the pool of money is exhausted.

Created by HCCF, the Enrichment Fund addresses a broad range of needs. The Enrichment Fund helps support long-term solutions; responds quickly to emergencies; and meets changing social, cultural, educational, and environmental needs in our local community.

HCCF provides philanthropic leadership by encouraging giving, learning, community pride and civic engagement. Working with caring individuals, families, and organizations to create or grow existing permanent endowment funds is critical to the organization's mission. These funds generate income that is distributed in the form of grants and scholarships to enrich and enhance life in Hancock County, as well as support the donor's favorite charitable causes, both at home and afar forever. HCCF has granted millions of dollars since their inception in 1992.
