HCCF provides philanthropic leadership by encouraging giving, learning, community pride and civic engagement. Working with caring individuals, families, and organizations to create or grow existing permanent endowment funds is critical to the organization’s mission. These funds generate income that is distributed in the form of grants and scholarships to enrich and enhance life in Hancock County, as well as support the donor’s favorite charitable causes, both at home and afar forever. HCCF has granted millions of dollars since their inception in 1992.
