

# Do You Wonder what Hancock County could become?

You can play a role!

## Here's what you will learn

### CIVICS

What can you do to affect life in Hancock County?  
How do other forces affect our community?

---

### MARKETS

Whose money makes local amenities and services possible? What can you do to nudge more money towards important causes?

---

### COMMUNICATIONS

How can you get your voice heard, and how can you learn from others, to make sure our county moves in the right direction?

---

### ISSUES

What's happening in schools, businesses, parks, trails, and beyond? How might our population evolve in the near future? What could that mean for you?

---

### QUALITY

What would it take to make our local area more attractive and livelier? How can you play a role in making the quality of life better for years to come?

---

### PRACTICES

What tools and rules can prevent sprawl, promote walkable neighborhoods, and ensure the places we all live are enjoyable, appealing, safe, and accessible?

---

### TEAMWORK

How can you work together with others within your town and across our county to make daily life better?
