Do You Wonder... what Hancock County could become?

Here's what you will learn:

- 1. Civics**
What can you do to affect life in Hancock County?
How do other forces affect our community?
March 25
- 2. Markets**
Whose money makes local amenities and services possible? What can you do to nudge more money towards important causes?
April 22
- 3. Communications**
How can you get your voice heard, and how can you learn from others, to make sure our county moves in the right direction?
May 27
- 4-5. Issues**
What's happening in our community and beyond? How might our population evolve in the future? What could that mean for you and those you care about?
**June 24
July 22**
- 6. Quality**
What would it take to make our local area more attractive and livelier? How can you play a role in making the quality of life better for years to come?
August 26
- 7. Practices**
What tools and rules can prevent sprawl, promote walkable neighborhoods, and ensure the places we all live are enjoyable, appealing, safe, and accessible?
September 23
- 8. Teamwork**
How can you work together with others within your community and across our county to make daily life better?
